

SCHEDULE OF VIRTUAL SUMMER CAMP
Classes VII - IX
DURATION OF THE CAMP - 08 JUNE 2020 TO 13 JUNE 2020

The summer of 2020 is going to be like no other summer that we have had before. It will always be remembered as one that lived through the shadows of the lockdown due to COVID 19. As a school we have made the best efforts for this shadow to not eclipse your ward's academic progress. Same holds true for the vacation. Though outdoors will remain out of bounds for a very long time, but valuing relationships, cultivating hobbies, learning technology, lending a helping hand will be the new normal.

With this in mind we have curated a **Virtual Summer Camp** with some engaging activities for your wards to indulge in. The idea is to help students pick up a hobby or skill that they have their interest in. The camp will be free of cost and the activity teachers of the school will be conducting the classes during stipulated time as mentioned in the details below.

Details of the camp are as follows:

- The camp will be conducted from Monday, 08 June 2020 to Saturday, 13 June 2020.
- Timings of the camp will be from 0900 hrs to 1300 hrs
- There will be four different categories – Visual arts , Performing arts, Physical Activity and IT skills.
- Details of subdivisions are given in the table below.
- Every student will be able to enrol for any two activities in addition to the physical activity.
- Each activity will be for 45 minutes . Students will get a break of 15 minutes between the activities.
- All activities will be done using Googlemeet, and the link for respective activities will be sent by 9 am on each day. For the Physical activity, a link will be sent to you and recognising the need to improve immunity through physical exercises we will request you to motivate your ward to do the activities with utmost sincerity.
- Students should join the link in time. No student will be allowed to enter the class after 05 minutes of commencement of the session.
- Since, these classes would demand a good deal of regularity and involvement, in order to fulfil their purpose, only students who can devote time need to enroll.
- We have a **limited number of 50** seats available in each of the activity and students will be chosen on first come first served basis.
- **Students from classes VII to IX**, who wish to be considered for enrolment, should fill in the Google form by clicking on the given link before **1200 hrs on Monday 01 June 2020**.
- **Click on the given link to register <https://forms.gle/bLcLR6b27CR7joFH6>**
