Together we make the world's family.

Leave no one behind (LNOB) is the central, transformative promise of the 2030 Agenda for Sustainable Development. With this slogan, the SDGs focus on 5 key elements: people, planet, prosperity, peace and partnerships. The theme of India's G20 Presidency "Vasudhaiva Kutumbakam" or "One Earth · One Family · One Future" closely ties with LNOB.

Dear Students,

Summer vacation is here. Time to relax and rejuvenate yourselves by spending time with family, reading stories, pursuing your hobbies and doing some constructive and fun-filled activities planned by your teachers.

So here are a few activities that you will enjoy doing. Try to do them independently, as far as possible. You may take help from your parents and siblings if required. We hope you will have fun doing these activities.

\$

ୡଡ଼

--General Instructions--

• All the activities should be done neatly on A4 sheets (colour or white)

• Do any **four activities** from the eight options given. Put the activity sheets in a file/folder and submit it to the respective class teacher by Wednesday, 5 July '23.

- You are requested to do the activities independently.
- You can take your parents support if needed.
- Creativity and originality of the work will be appreciated.

Without much ado, let's begin...

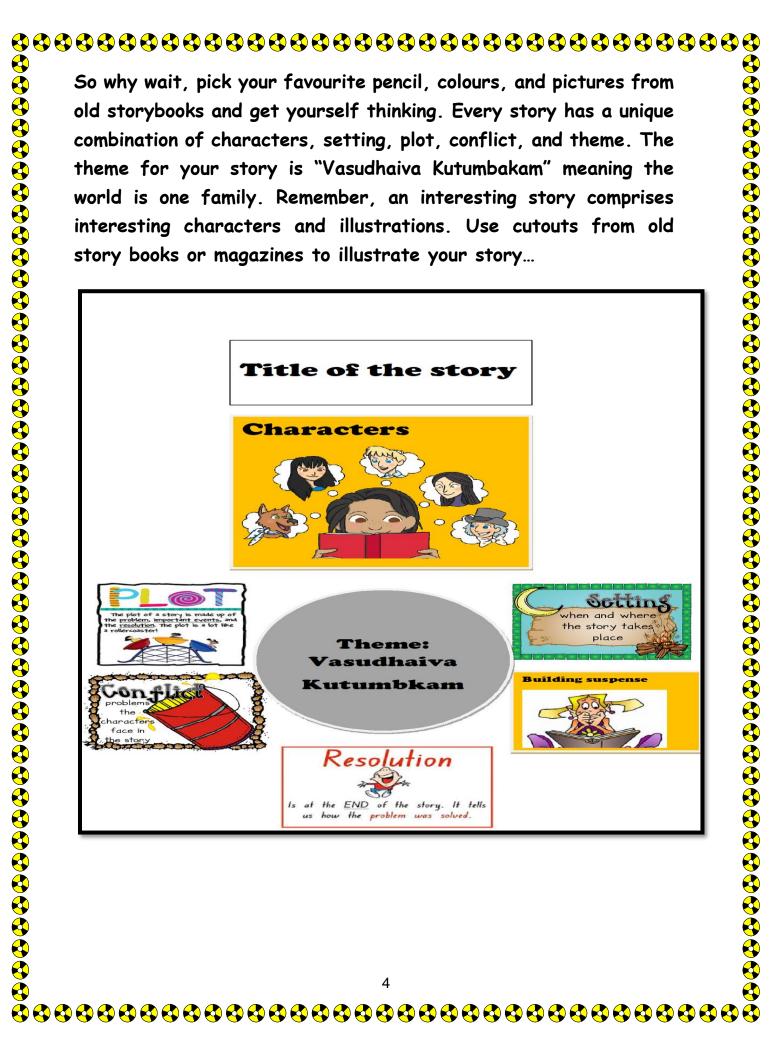

1. Shark Tank

The world of advertisement is very creative. It has the power to change and mould people's opinion. So, it's time to activate your grey cells and make an interesting advertisement on the theme, *Atithi Devo Bhava* to promote tourism in India.

Create an advertisement to encourage tourism for Andaman and Nicobar Islands. The challenge is to be at your creative best and make it colourful and attractive with a catchy jingle.

2.We write from the Heart...

We are all fond of stories and we all are natural storytellers. A story is a powerful tool that has the potential for a massive lasting impact.

3.अभिवादन के तरीके

"हर देश का अपना अभिमान, अतिथि के स्वागत के तरीके से दिखती उनकी शान"

हर देश के लोगों का अभिवादन करने का तरीका अलग है जो उन्हें हटकर एक नई पहचान देता है | तो आइए पता करें G20 में शामिल, भारत तथा कोई दो देशों के अभिवादन करने के तरीके को ।

- G20 में शामिल भारत तथा कोई दो देशों के अभिवादन करने के तरीकों को चित्रों के माध्यम से दर्शाइए |
- उन तीनों देशों के अभिवादन के तरीकों के पीछे क्या कोई कारण है? पता करके लिखिए।
- G20 में शामिल कोई दो देशों की एक- एक वेशभूषा व आभूषण का चित्र बनाएँ ।

4. राष्ट्रीय फूल भारत तथा किन्हीं दो देशों के राष्ट्रीय फूलों के बारे में जानकारी उपलब्ध करें तथा चित्र के माध्यम से नीचे दिए गए संकेतों के आधार पर परियोजना कार्य तैयार करें । देश तथा उसके राष्ट्रीय फूल का नाम तथा चित्र चिपकाएँ । उस फूल को राष्ट्रीय फूल कब और क्यों घोषित किया गया ? अपने मनपसंद फूल को मंडाला (Mandala) कला (आर्ट) द्वारा चित्रित करें ।(कोई एक फूल) 5. Math Board Games 3610412 Create a math board game. Include any one or two concepts of math in it. Here are some math board game ideas that you can build: a) Mathopoly: A math version of Monopoly where players roll dice to move around the board and solve math problems to buy properties and earn money. The math problems can be based on arithmetic, algebra, geometry, or other math concepts. b) Math Maze: A board game where players navigate through a maze by solving math problems. Each correct answer 6

- c) Number Scrabble: A game where players use tiles with numbers and math symbols to create equations. Each equation must be correct and contain at least two tiles. Players earn points based on the complexity of the equation.
- d) Fraction Frenzy: A game where players collect and trade fractions to create a whole number. Players start with a set of fraction cards and must trade with other players to get the right combination of fractions. The first player to create a whole number wins.

6. Design your dream room

Design your dream room on an A3 white sheet.

Use different 2D and 3D shapes to design the various parts of the room (e.g., squares and rectangles for the walls, cubes for decorative items, cuboidal almirahs etc.)

Students will present their designs to the class explaining the use of different shapes involved in designing their dream room. Be as creative as possible.

A world of Opportunities (G20 2023)

Introduction: The 2023 G20 New Delhi summit is the upcoming eighteenth meeting of the Group of Twenty (G20). It is a summit scheduled to take place in the International Exhibition-Convention Centre (IECC), Pragati Maidan, New Delhi in 2023. It is the first ever G20 summit to be hosted in India and also in South Asia.

7. Bingo Game

One of the major agendas of G20 2023 is climate change and net zero by 2030. This can be achieved not only by the efforts of the government but also by each individual. You being a responsible citizen of this country have a huge responsibility to make this happen for ourselves and for future generations to come.

Create a BINGO game highlighting all you can do to stop global warming and prevent climate change. Make a grid of 3x3 and write down the things you do to save the earth.

8. Pledge...

Write down a pledge on how you can save earth. Get it signed by your family members, friends and relatives. Get their hand printed on a sheet of paper. Draw a picture of the earth and paste their printed hands around it to make a beautiful craft. Attach your pledge under it.

Suggested Activities

Indoor Walking

Physical activity doesn't need to be complicated. Something as simple as a daily brisk walk can help you live a healthier life. Regular brisk walking can help in maintaining a healthy weight and lose body fat. It can improve cardiovascular fitness and strengthen your bones and muscles.

Let's all pledge to get healthier this summer and take up walking as an exercise either indoors or outdoors and see miracles happening with us.

Follow the links to learn more about indoor walking.
