## Kindergarten

### Holiday Activity (2023-24)

*Dear Parents,*

*The much-awaited summer vacation has begun, and it is time for relaxation and enjoyment. It is a good time to take a break from the daily routine and fun time for children.*

*Help them to be responsible to do things on their own during this summer break like- Dressing and undressing themselves, tying shoelaces, putting away things at its proper places.*

*Reward your ward's creative efforts, guide and support your ward by boosting her/his confidence.*

*"We wish you and your ward tons of happiness, joy, and fun while you are on vacation! We hope you have a great time!"*

Here are few interesting activities that will keep your ward engrossed:

## Suggested activities:

- Encourage your ward to make at least four free-hand drawings. Send these drawing to the school in a folder on the first day of the opening.
- To improve your ward's listening skills read out stories from the links given below and encourage them to listen to the stories –

- ❖ The Rainy Day
