PRINCIPAL'S MESSAGE

Dear Parents

“What is the difference between an obstacle and an opportunity? Our attitude towards it. Every opportunity has a difficulty and every difficulty has an opportunity.”

I am proud to say that our school has turned all obstacles posed by this pandemic into opportunities for our students. We not only celebrated all festivals with great fervour and zest but also participated in various intra and inter-school events and won laurels for the school.

Our teachers have also enhanced their skills and have been recognised for their hard work. The appreciation letters sent by our parents and the awards bestowed on them by various agencies have given them new energy to forge ahead with greater zeal and enthusiasm.

The second edition of the newsletter will give you a glimpse of all these achievements.

Look forward to your continued support.

Regards

“Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time.”
