### JUNIOR HEADMISTRESS' MESSAGE

Greetings!

It is surprising how fast time flies and it's already time for the second quarter of this academic year and the next edition of the school's newsletter.

We, at Tagore International School, inspire children to think and analyse situations critically, without enforcing our thoughts on them. Thus teaching them how to think, and not what to think.

Even in these unprecedented times, students have been given ample opportunities to showcase their multifaceted talents through the various Intra-Section, Inter-House, and Inter-School events organised at various levels.

This edition of the newsletter shows the readers a glimpse of the various events organised from July to September 2021. Happy Reading!!!!

Keep your *THOUGHTS* positive  
because your thoughts become your words.  
Keep your *WORDS* positive  
because your words become your behavior.  
Keep your *BEHAVIOR* positive  
because your behavior becomes your habits.  
Keep your *HABITS* positive  
because your habits become your values.  
Keep your *VALUES* positive  
because your values become your destiny.

# French National Day Celebration

The event started with a short skit. Storytelling through doodling on the life of Napoleon, a heroic figure of France. The students further showcased their talents by presenting a French group song followed by a mesmerizing group dance. It was a great learning experience for all the students.

# Teachers' Day

Keeping up with our annual tradition, this year too, the much-awaited Teachers' Day celebration was held with great enthusiasm. Undeterred by the current circumstances, Class XI did a tremendous job in carrying out the gala on Saturday 4 September 2021, with much finesse.

Sequencing from individual class presentations to the main event, the entire program was tied together with the theme 'Blast From The Past.' The teachers were taken on a trip down memory lane when Chitrahaar, the iconic Doordarshan program of that era, used to be the highlight of one's daily schedule. The event depicted a wide range of performances—drama, singing and dancing—from both students as well as teachers.

The teachers put up a spectacular performance, showcasing an awfully chucklesome yet a hundred percent true imitation of online classes in the junior and senior wing, beautiful compilation of lyricals and startling singing skills and marvelous dance performances.

A sense of nostalgia was evoked when our mentors recalled their school memories and shared their experiences of the days bygone. The 'Tagfare Award Function' and the Ramp Walk by class XII were the ultimate showstoppers of the day. The event was concluded with a splendid piece of poetry that conveyed the role of a teacher in a student's life.

## ‘BIG BANG BUDDIES’ ACTIVITY

The ‘Big Bang Buddies’ Activity was organized for the students of Nursery and kindergarten. The theme of this activity was “Folk Dance”. Folk dance as we all know is a dance that originates as ritual among and is characteristic of the common people of a country and that is transmitted from generation to generation as per Merriam Webster Dictionary. The students performed folk dances of different states like Punjab , Rajasthan, etc. A student from Rajasthani origin performed on a Punjabi folk song . This is a very exciting way of letting students know about the culture and dances of the other students belonging to different culture and also of their own culture. It makes them think in a more diverse way and inculcate a tolerance among them when they grow up. It makes the students aware , appreciate and respect the other cultures.
