◆ Global

Dussehra Celebration

The basic teaching of Ramayana is that no matter how powerful evil is, it will always be defeated by Good. The victory of 'Good over Evil' is a universal fate. A person should always have a noble heart and good values. That is how Lord Rama defeated the most knowledgeable person in his story - Ravana.

German Day

German day has been celebrated in our school on Friday, October 14, 2022 with a skit, dance, song, quiz, tongue twisters along with a friendly football match with the students of our Vasant Vihar branch. It is rightly said that if we are to preserve culture we must continue to create it. Learning a new language opens several doors to new opportunities.

In 1949, Germany was divided into two zones. When the Berlin Wall fell in 1998, it reunited the two sides of Germany. The Unification Treaty was signed to unite the two parts in September 1990. The Treaty entered into force upon the GDR's accession to the Federal Republic on 3rd October 1990 and declared the 3rd of October a national holiday. The day of German reunification is celebrated as German Day.

Ms. Shilpa Sharma was the chief guest at the event. She has been working for the last 10 years with the Goethe Institute, Delhi as a language trainer and an Intercultural Facilitator for young and adult learners. Her areas of interest are the usage of Media in Teaching, Student-centered pedagogy, curriculum development, and teacher's training. Currently, she is the project coordinator for private schools offering German in North India.

Music is the only universal language that needs no translation" Our German learners presented a beautiful song called "Wenn du fröhlich bist".

A short skit presented by the students of classes VI-IX showcases how exposure to different cultures not only increases our knowledge but also makes us more connected to our roots.

A short quiz was held for the students to test general knowledge about Germany along with tongue twisters. They were rewarded by our chief guest too.

Our German learners have performed a folk dance of Germany to end the event on a groovy note.

A friendly football match was organized by our school with the students of the Vasant Vihar branch on the occasion of German day as Football is a national game of Germany.

Junior Athletic Meet

The school organised Junior Athletic Meet on 21 October 2022 for classes Nursery - V. After more than two weeks of consistent practice, the day started with the Nursery and kindergarten drills which highlighted the importance of coordination and teamwork, which should be instilled in oneself from a tender age. A torch run ignited the spirit of the participants and appreciated students with distinguished achievements in various fields of sports. The day continued with various exhibits by classes I to V, each leaving the spectators in awe who cherished the spirit of sportsmanship and determination of the participants, deeming the sky as the limit.

Carrer conclave

A career conclave was organized on 20th October 2022 in the school premises with the objective of helping the students to design their higher studies and exploring a range of options that can open new vistas for them. Crafted for class XII students, this conclave aimed to sensitize the students and parents of class XI as well. The participants witnessed eleven tailor made sessions that focused on providing a multifarious perspective of the various career fields. The session commenced with the school principal, Ms. Mallika Preman reiterating the importance of knowing one's potential and area of interest before making a decision. She emphasized on the importance of making informed decisions. This was followed by a session on Navigating through the sea of career options, Dr. Shubhahis Gangopadhyay, Dean, Liberal Arts, UPES and a session on Understanding CUET by Mr. Binit Binod, Academic Advisor .

Diwali Celebration

“There are two ways of spreading light; to be the candle or the mirror that reflects it.”

Diwali, the festival of lights that brings joy and enlightens the hearts was celebrated with great zeal and zest. Decorated in vibrant hues, the school had an ambience of joy and happiness. The members of Ekta House set the mood for celebration through a special assembly. The programme commenced with our confident speakers enlightening the audience about the significance of the festival followed by Ganesh Vandana. The Green Brigade, our school's Eco Club members presented thought-provoking messages emphasizing students to celebrate 'Environment Safe Diwali'. In her address, the principal, Ms. Mallika Preman urged the children to be sensitive to the environment by celebrating a clean and cracker-free Diwali. No celebration is complete without evoking the blessings of God and thanking the Almighty for all the divine gifts we are endowed with. The assembly culminated with Laxmi Puja.

TagGED

The second edition of #TagGED was organised on 4 November 2022 with the aim to broaden the horizons for young entrepreneurs and visionaries. Divided into three categories, Innovation (STEAM), Business Entrepreneurship and Social Entrepreneurship, the event saw the participation of more than 90 students from schools all over the NCR.

Taking up SDG as the basic foundation, the theme for this year's event was 'A Commercial Start with a Sustainable End.' After commencing the programme with the lighting of the lamp, the Principal gave a short speech to inspire the teams present.

As the youth of the country, the participants took their role as society sculptors extremely seriously and presented a multitude of brilliant ideas. With a great vision and proper execution of ideas, each entry uplifted the idea of fulfilling SDGs and kept various ecological and societal concerns in mind, while possessing a clear strategy on carrying their designs forward.

Gurupurab Celebrations

Movie Link: <https://www.instagram.com/reel/CkrqITxB2ll/?igshid=YzdkMWQ2MWU=>

The Indian Customs Day Celebration

Mr. Jyotiraditya, Joint Commissioner of Customs Department and Mr. Manoj Lakra, Assistant Commissioner of Customs Departments had organized an interactive session in the school to celebrate the 60th Anniversary of Customs Day on Tuesday, December 6, 2022,. Students of class IX participated in the session. Mr. Jyotiraditya spoke to students on the role of customs in the foreign trade and economy of the country. A movie on the history of various duties paid by traders in the past and how the Customs Act has evolved over the years was shown to students, which was followed by a quiz competition and the winners were awarded with certificates and prizes.

Namaste Deutschland

Namaste Deutschland is the annual festival to celebrate the German language and culture. A colourful programme of exhibitions, workshops, competitions, info sessions, film screenings and much more is dedicated to a specific theme each year. The festival is aimed at all German learners at their partner schools and their teachers. It was held on Saturday, November 19, 2022 at Delhi Public School, Gurugram. The theme was from Germany into the world.

Arsh Ali got the first position for the Online Video competition. He was rewarded by Puneet Kaur by Project Director, Goethe Institute.

International Human Rights Day 2022

The Tagore International School, East of Kailash celebrated Human Rights day on December 12th , 2022. The students of class VII watched a video to understand the basic Human Rights and were engaged in a fruitful discussion. After the discussion, students decorated and wrote their wish for a better world on a piece of paper in the shape of a feather. The students then glued all the feathers on a dove. The bird was a beautiful and hopeful expression of the class's hopes for a better tomorrow. Children participated with great enthusiasm and enjoyed a lot while doing the activity.

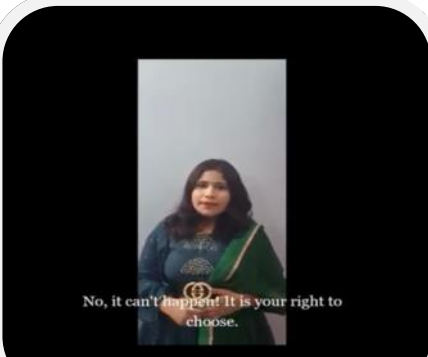

CONSTITUTION DAY

November 26 is observed as Constitution Day or ‘Samvidhan Diwas’ every year, which commemorates the adoption of the Constitution of India. On November 26, 1949, the Constitution was adopted and it came into effect on January 26, 1950. The purpose behind celebrating Constitution Day is to promote the values of the Constitution among the youth of the country and understand the efforts of people in framing it.

The students of Class VIII composed rap songs and recorded videos on the discussion of the guiding values of the Preamble to the Constitution of India.

Mode: group activity

Activity: Each student explained one value based on her/his understanding, enshrined in the Preamble to the Indian Constitution. Also, shared how they practice the value explained in their daily life. This activity was enjoyed by the students and at the same time helped them gain awareness on the guiding values of the society.

Senior Athletic Meet 2022

"Sports teaches you character, it teaches you how to play by the rules, it teaches you to know what it feels like to win and lose - it teaches about life. " - Billie Jean King. A sporting event in school is an endeavour to showcase the talent of students and to infuse them with determination, grit and a commitment of a lifetime. Keeping the same in mind, the school organised Senior Athletic Meet on Tuesday, 13 December for classes VI-XII. After weeks of preparation and practice, the day started with the torch run where the distinguished jewels of the school ignited the torch of harmony, goodwill and the passion of the sporting spirit. It was followed by the march past which showcased the unity and coordination of the students. The theme for this year was ‘Olympism’, following the same, the houses decorated their venues and cheered for their participants through dances and slogans. Throughout the entire event the enthusiasm was at its peak while the competition got more intense and electrifying. We also had displays of Taekwondo, Aerobics and Yoga, which kept the spirit of the event alive to its core. In order to add essence to the programme, we invited Mr Vijay Prashad Singh, as the chief guest, who is state Chief commissioner, Hindustan Scouts and Guides, Delhi State. Mr Singh shared some beautiful insights and talked about the importance of sports in the lives of children. To make the event even more interesting and lively we had a tug of war between the students of classes XI and XII. We also had races for the teachers and the support staff of our school. At the end of it all, the suspense of the best athlete of each category was revealed. Garvit Ahuja and Aahana Jawa earned the title from the junior category along with Keshav Tripathi and Juhi Singh from the senior category. The impassioned competition for the best house resulted in Shanti House winning the First place followed by Ekta House. The event concluded with a wave of joy and contentment among the winners while the other participants found within them a newborn fire to better themselves by working harder, after at the end that is what sports is all about.

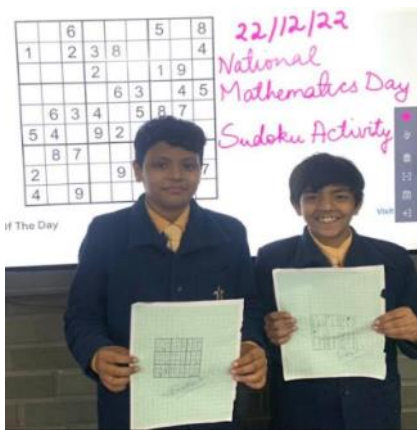

National Mathematics Day

National Mathematics Day is observed annually on December 22nd to mark the anniversary of the eminent mathematician Srinivasa Ramanujan's birth.

The students from classes VI-XI whole-heartedly and excitedly participated in the fun-filled and exciting activities planned for them. They were encouraged to wear their creative hats and explore the library and other resources to participate in various activities involving Interesting facts about Ramanujan's life, mathematical brain teasers, patterns, math fun facts and logical reasoning based puzzles. Group and individual activities like completing Sudoku, creating Parabolic string art, creating mathematical patterns using paper cutting and folding were truly enjoyed by the students.

The activities were followed by videos, presentations, discussions and quizzes on the life of Sir Srinivasa Ramanujan.

It was an enthralling and enriching experience for the teachers as well as the students.

Roshni Society Christmas 2022

Christmas is a festival that celebrates the birth of Jesus Christ and symbolises a child's innocence and purity. Following the set traditions, the students of Roshni Society and Aaina Society celebrated Christmas with the students of Ananth Centre for Learning and Development, on Friday, 23 December, 2022, with much enthusiasm.

The event consisted of singing Christmas carols such as - Rudolf the Red Nose Reindeer, We Three Kings of Orient, Joy to the world, Jingle Bells, We wish you a merry Christmas and a Happy New Year. The audience also witnessed their Santa Claus, Hardik Pamnani singing and were ecstatic to say the least. The celebration was brought to an end by the students of Ananth Centre and their Santa Claus travelling the campus on a horse cart and everyone trailing behind them singing the Christmas Carols.

Christmas Celebration

Christmas is a festival that celebrates the birth of Jesus Christ, and around this basic plot, the world has woven many different origin stories. This year too the students of Tagore International school, East of Kailash and Vasant Vihar celebrated Christmas in a synergetic cooperation, on Friday 24 December 2021, with much finesse.

The entire program was tied together with the students' interpretation of what might have been in store for Ebenezer Scrooge from the story, 'A Christmas Carol' by Charles Dickens, after he was visited by the 3 ghosts. The event depicted a wide range of performances—drama, singing and dancing—showcasing the students' talent.

The event consisted of a play showcasing the true spirit of Christmas, which is to spend time with our loved ones and another play which put an emotional twist on the origins of the Santa-Banta jokes we laugh at and forward on our whatsapp groups. Dances are an integral part of any celebration and this celebration too was taken to the next level by a solo dance performance by Jini Pukhrambam which left everyone swooning.

The audience got a glimpse of what the students of junior school would do if they were Santa. An integrated video of the TIS teachers' wishes if Madhulika ma'am was Santa and a creative mashup rap "Ma 'Jingle' Bell" by Sabhya Arora which amused everyone.

Every Christmas celebration is incomplete without carols and more the merrier! The silver - lining of the event were two beautiful carol pieces which made everyone's Christmas spirits rise through the roof. The celebration was brought to an end with a video showcasing the amount of hard work that went into the event and how the students had to rise to the occasion and overcome all the difficulties that came with shooting for the event at school.

Samanjasya

The primary wing of Tagore International School, East of Kailash celebrated ‘Samanjasya’, an annual cultural and musical extravaganza over a period of two days, i.e. 29 and 30 December 2022. The students of classes I to V having learnt the art of embracing each other’s differences came together for the theme ‘Sustainable Development Goals’ by showcasing an array of plays interspersed with music, songs and dances. The tiny tots of class I participated in a play titled ‘Guardians of the Galaxy’ based on SDG 15-Life on land. The children emphasized the importance of trees, water and air. They beautifully conveyed the message of how these things are important for mankind and how mankind is ruining everything and destroying nature for its own greed. The students of class II enacted a play titled ‘The Earth is in our hands’ based on SDG 14- Life below water and SDG15- Life on land. The students stressed the significance of living in harmony with nature. The students of class III pledged to contribute towards SDG 15-Life on land, which says ‘Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests and reverse land degradation’. The students presented a play by taking the audience through a wonderful journey of transition via a story ‘Mowgli’s La La Land’. The play reflected upon the fact that we humans share this Earth with plants and animals and so it’s imperative for us to maintain and protect all the elements in our ecosystem. SDG 13-Climate action, revolving around the play ‘A new tomorrow’ was the prime focus of the performance showcased by the students of class IV. The students of class V displayed their talent through a series of short skits which highlighted SDG 5- Gender equality with special emphasis on ‘women empowerment’. They presented snippets from the lives of women like Arunima Sinha and Mithali Raj who despite various odds managed to fulfil their dreams with sheer determination, guts and willpower. The heart touching performances rendered by the students captivated and mesmerized the audience. An exhibition displaying several activities of the students in the fields of clay modelling, art, science, social science, mathematics and library was also put up. Students showcased their creativity through models, paintings, posters and board games. The show was a great success as the parents appreciated the school for its efforts in bringing out the hidden talents and skills of the students and by rightly naming the event as ‘Samanjasya’ which means ‘working in togetherness’ to celebrate the spirit of ‘Sustainable Development Goals’ which is the need of the hour each day and every day.

Inter House Competitions

Inter house Diwali Fiesta Competition 2022-23

For students in classes VI-XII, a four-day Inter House Diwali Fiesta competition was organized from Monday, October 17, to Thursday, October 20, 2022. "Festivity around the week: Diwali" served as the event's theme. To reflect the joy of Diwali, the houses put up a cultural performance during the recess. The performances put on by the participants were fantastic. The combination of music, dance, and drama made everyone happy and wanted to participate.

Inter house Board Designing and Origami October 2022-23 (Classes VI-XII)

The Inter house Board Designing and origami competition for classes VI-XII was organized on Wednesday, 12 October 2022. The theme for the competition was "Asian Festivals: Gaiety and Glee". The challenge for the month was to incorporate origami in the decoration of the board and show diversity all over the continent. They were judged on the criteria of creativity and originality, aesthetic appeal, usage of origami and neatness and overall concept. The concepts that the houses came up with to showcase all of the festivities that we observe during the autumn were astounding.

The results of the competition are as follows :-

Inter House Competitions

Inter house Rangoli Making Competition 2022-23 (Classes VI-X)

A rangoli-making contest with the topic "Diwali" was arranged for schools VI-X in consideration of the festivities. It took place on October 21, 2022. Without the aid of stencils or any printed materials, the houses created lovely designs; each pattern was unique. To ensure that the rangolis were environmentally sustainable, all of the rangolis had to be made from natural and herbal materials. They were evaluated according to the following standards: innovation and originality, design and clarity in the Rangoli art, color scheme and neatness, and overall appeal. The designs that the houses created were amazing. The competition's results are as follows:

- First position- Shanti house
- Second position- Ekta House
- Third position- Shakti House

Inter house Board Designing and Newspaper Art November 2022-23 (Classes VI-XII)

The Inter house Board Designing and Newspaper Art Competition for classes VI-XII was organized on Monday,14 November 2022. The theme for the competition was “Fulfilling all rights of every child”. The challenge for the month was to incorporate Newspaper Art in the decoration of the board. They were judged on the criteria of creativity and originality, aesthetic appeal, usage of Newspaper Art and neatness and overall concept. The concepts that the houses came up with to showcase all the rights that children get and to the ones who are still struggling for these basic rights were astounding.

The results of the competition are as follows :-

- First position- Pragati house
- Second position- Ekta House
- Third position- Shanti House

Inter House Competitions

Inter house Board Designing Competition December 2022-23 (Classes VI-XII)

As a part of the 100th Birth Anniversary of our founder, Dr. (Mrs.) Hari Sen, an Inter house Board Designing competition for classes VI-XII was organized on Monday, 5 December 2022. The theme for the competition was "Ideologies followed by Dr. (Mrs.) Hari Sen". The houses depicted various ideologies such as patriotism, equality, liberty and secularism. They were judged on the criteria of creativity and originality, aesthetic appeal, and neatness and overall concept. The concepts that the houses came up with to showcase all of the ideologies followed by the personality were worth appreciating.

The results of the competition are as follows :-

- First position- Ekta House
- Second position- Shakti House
- Third position- Pragati House

Inter House Treasure Hunt Competition (Classes IX-XII)

The Inter House Treasure Hunt Competition for classes IX-XII was conducted on

Wednesday, 07 December 2022. It was a live competition. Houses were given challenging situations and tasks, where they were expected to decode them using basic knowledge. It was a fun competition, everyone enjoyed and had a good fitness day.

The results for the competition are as follows:

- First position: Shanti House
- Second position: Pragati house
- Third position: Shakti House

Inter House Competitions

Inter House Hindi Debate Competition (Classes VI-VIII)

The Inter House Hindi Debate Competition for classes VI-VIII was conducted on Wednesday, 28 December 2022. The topic for the competition was given as 'Should everyone be vegetarian?'. The competition was judged by Ms Ishita Namjoshi and Ms Renu Trivedi who both have years of experience and have won many accolades in the field of debating. The participants told the audience about their views on the topic and presented well researched thoughts. The participants also supported their views with well thought of examples.

The results for the competition are as follows:

- Best in For the Motion: Imaad Rafi (Ekta House)
- Best in Against the Motion: Chitrlekha Singh (Shakti House)
- Best interjector: Nesha Aggarwal (Shanti House)

House wise results:

- First position: Ekta House
- Second position: Shanti house
- Third position: Pragati House
- Fourth position: Shakti House

In the zonal Sculpture Making competition, Adeeb Shah XII B secured 1st position in Sr. Boys.

AWIM is an international event

AWIM is an international event organized by SAE (Society of Automotive Engineers) which seeks to inculcate STEM curriculum – Science, Technology, Engineering and Mathematics in Schools. In India, AWIM organizes 2 challenges – Skimmer Challenge for 5th grade and Jet-Toy Challenge for 6th grade students TO fosters curiosity and creativity among young students and enhances their thought-building process. The students learn through experiential learning and eventually build Jet-toys and Skimmers fulfilling different requirements. Students of class V of Tagore International School, east of Kailash won the overall trophy in the Skimmer challenge in the AWIM Regional Olympics 2022 and qualified for District level competition. They also won in the following two categories:

- 1. Maximum speed
- 2. Maximum Distance

The following students of class V participated in the same:

- 1. Jiya Sood VB
- 2. Alex Joseph VD
- 3. Prema Mandal VD
- 4. Sahar Alam VD

Achievements

Workshop for Students

Life skills workshop for classes VI to VIII (10.11.2022)

A workshop showcasing an interactive movie was organised for classes VI to VIII. The workshop was conducted by CSR Box Foundation to empower teenagers with the right set of life skills in an interactive learning format. The session focused on issues like **bullying, peer pressure, and underage lifestyle habits such as addiction**. It emphasized on early intervention by teaching strategies and skills to cope with pressures in real-life situations.

National Level Championship through Vigyantram Technology

(Two Days Workshop)

In-school Robotics Workshop with National Level Championship through Vigyantram Technology.

Tagore International School, East of Kailash has always been equipped with the latest technology to enhance academic performance among our students. Continuing with the practice to hone technological skills of students we organized 02 days in-school Robotics Workshop with National Level Championship through Vigyantram Technology in association with Abhyuday, IIT Bombay.

Workshop Topics were:

For Grade 3 to 5- 3 in 1 Robotics

For Grade 6 to 8- Drone Making Flying

For Grade 9 to12- Humanoid Robotics

Workshop Dates:

Friday 28th October & Saturday 29th October ,2022

Total 114 students participated in different categories and learned drone assembly and flying, humanoid assembly and coding & robotic car assembly and driving

Workshop for Students

'Sexuality Education'

The key speaker for the sessions was Dr. Kavita Mangnani, she was also accompanied by her colleague Ms. Tejaswinee Hazarika. Dr. Mangnani is a Clinical Psychologist by Profession and has completed her Ph.D in Psychology in 2018. She has worked as a Clinical Psychologist and counsellor in a Government as well as Private Psychiatric Hospitals in Jaipur, Rajasthan. She has extensive experience of dealing children with psychiatric illness and disabilities. She is currently working in HAQ: Centre for Child Rights as Director: Restorative Care. HAQ: Centre for Child Rights is a Delhi based non-profit organization working for the Rights of children. She has been active in the field of child protection from last 6 years and has provided psycho-social support to children who are victims of abuse and violence. She has provided training to various key stakeholders such as Teachers, students and principals on the issues of children sexual abuse and its psychological impact. She has also been a part of various capacity building programs for different stakeholders dealing with cases of abuse and understanding its effect on the Mental Health of children. Ms. Hazarika is a Programme Officer (Child Protection) with HAQ. The sessions were divided and planned according to the classes; the students were shown a power point presentation and their queries were resolved during the session. The students were also briefed about how to protect themselves from any kind of sexual abuse, importance of consent, social and internet safety.

3D Designing workshop on Canva

In the world of designing, 3D designing is the process of developing graphics and images that appear to be in the third dimension. An online 3D Designing Canva workshop was organised for classes VIII, IX and XI, conducted by Ms. Annaporni Chandrashekar (Education Community Manager for Canva in India) on Monday, 19 December 2022. The aim of the workshop was to provide in-depth knowledge of many aspects of 3D designing by using Canva, 40 students attended and participated in the competition.

Workshop for Students

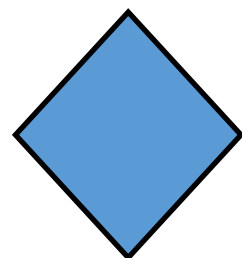

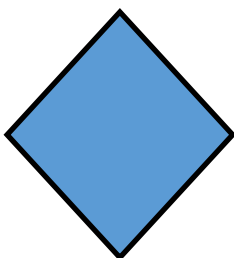

Indoor Air Pollution

The School-University Network Team (SUN) of SDSN youth SDG, TERI School of Advanced Studies, Student hub organized an interactive session on "Indoor Air Pollution" for students of Grade 8 and 9 on Friday 9 December 2022.

The sessions included:

- Video presentation- Documentary followed by Question & Answer round
- Interactive lecture - Difference between climate and weather, how climate change is affecting daily lifestyles
- Activity on indoor air pollution
- Awareness sessions- JAM, Quiz

The aim of the session was to raise awareness among the students about the indoor air pollution, it's impact and what they can do to combat this.

Workshop for Teachers

Online Capacity Building workshops for Teachers on Life Sciences from 3rd November to 5th November 2022

Organized by NCSTC- DEPT.OF SCIENCE & TECHNOLOGY GOVT.OF INDIA & MILLENNIUM INDIA EDUCATION FOUNDATION (MIEF).

Resource persons-

Dr. Inderdeep Kaur, Dr. Monika Kaul, Dr. Pratibha Takhur, Dr. Romila rawat, Dr. Vandana Singh

KEY LEARNING FROM THE WORKSHOP:

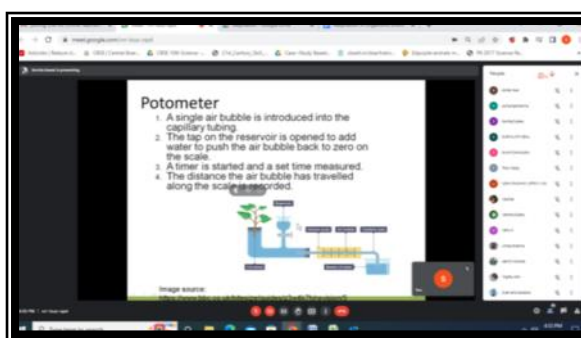

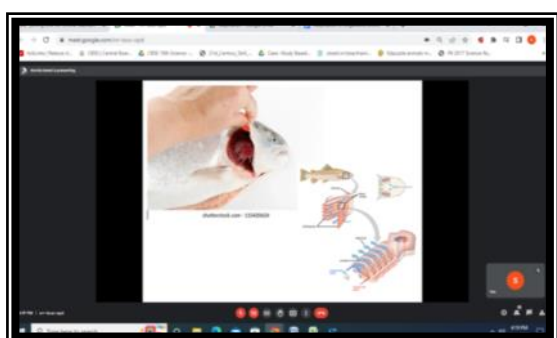

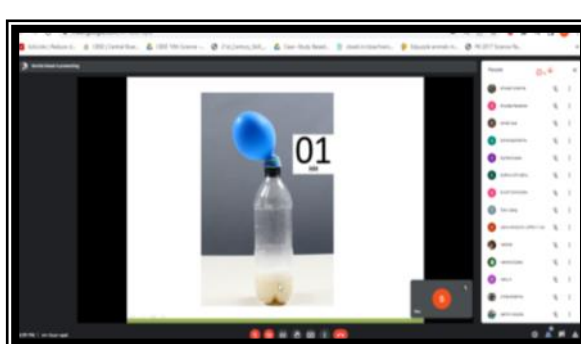

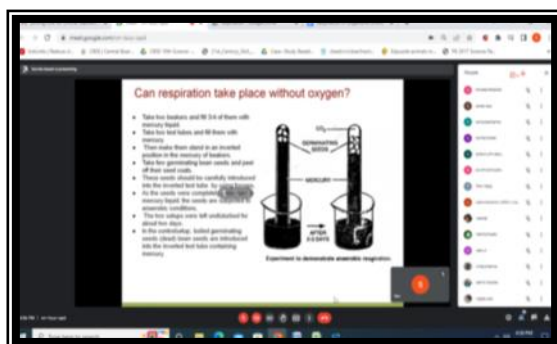

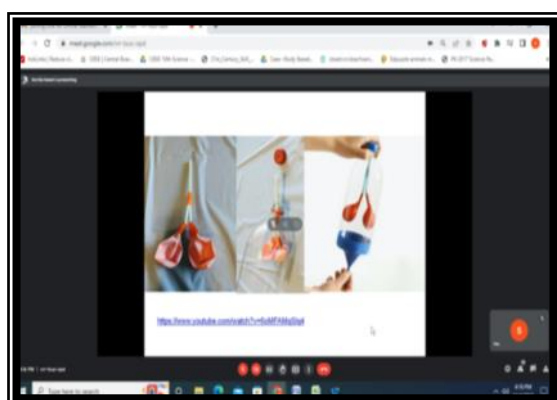

The importance of learning by doing in life sciences topics by using cheap innovative methods and making science interesting for them. Some of the activities are already done in class

Showing pollen grains in flower by asking students to touch the anther.

Discussing about colors of gills in stale and fresh fish

How to make working model of lungs using things at home like straws and plastic bottles.

By: SumitaPal.

TRIPS & PICNICS

An Educational Trip to the Gandhi Smriti

The students of class II were taken for an educational trip to “Gandhi Smriti” on Thursday, December 8, 2022.

The students were really excited as they were going for a school outing after the gap of two long years.

We visited the first pavilion entitled My Life is My Message, hundreds of archival photographs have been arranged on the walls, along with brief textual narratives. Some of these images of Gandhiji as a child and young man are rarely seen. There is also a model of the house in which he was born, as well as the actual army vehicle in which his body was transported for cremation to the grounds, now known as Rajghat.

The students were quite amazed to see Gandhiji’s school report cards, newspaper clippings and cartoons that show contemporary reports and reviews of his activities, the letters exchanged between Gandhiji and Leo Tolstoy, portraits of his wife and parents and other fascinating material. One display showcases the many commemorative stamps issued by countries around the world in the years that followed Gandhiji’s assassination, and another displays the letters that were sent to him. There are photographs on the life of Gandhiji from birth till assassination, there are 1600 photographs approximately. There are 75 stamps from different countries, released on the centenary year of Mahatma Gandhi. And there are models of Gandhiji’s house at Porbandar in Gujarat, Sabarmati Ashram and Yervada Jail.

After getting out of the museum, the students were made to sit in the lush green garden in the same premises for having their picnic, the most awaited and exciting part of any trip. They shared their mouth-watering snacks with each other and the helper staff.

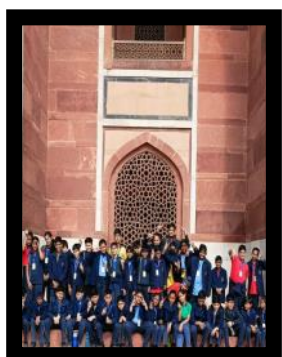

It was a fulfilling and enjoyable learning day for the students and the teachers.

TRIPS & PICNICS

Heritage walk to Humayun's Tomb

A heritage walk to Humayun's tomb was organized for class VI students. The Heritage club students (Class VII-VIII) organized a guided tour for the students. They briefed and explained different aspects of the monument to the students like history of the monument, architecture, Chahar Bagh concept and the need to conserve it. Class VI students were inquisitive and posed several questions to their guides. Various conservation methods were also discussed with students. It was an interactive learning session for both Class VI and the Heritage club students. Students were given a worksheet based on their learning of the monument. It was an engaging and learning experience for the students. This heritage walk helped them learn about our history and the importance of conserving historical monuments.

An Educational Excursion to National Science Centre

Students of class VII were taken to the National Science Centre at the Pragati Maidan, New Delhi on Wednesday, December 21, 2022 as a part of their educational excursion. To start with, the children were briefed about the venue by one of the officials there. The museum is one of the largest science centres in the country and was set up to tempt children to explore science by making it fun. It consists of an array of working, science models, which were operated by the students themselves. These working models are intended to make the children comprehend the basic principles of how things work. The visit to the National Science Centre was one of the best ways to arouse curiosity in the minds of children. The practical knowledge gained in these galleries was more than what students could have learnt in the classrooms. The students thoroughly enjoyed the visit.
