### SENIOR HEADMISTRESS' MESSAGE

*"Education is the most powerful weapon which you can use to change the world"* – Nelson Mandela

Greetings!

As we are on the threshold of the new year, school life has already been meandering through a myriad of activities! We believe that Education needs to be upgraded to meet the requirements of today's modern world. It needs to provide real life skills, encourage innovation and support student talents. Our aim is to not only focus on academics but to also foster critical thinking, value education, analytical skills, and decision making skills in our students. Each student has been heroic in her/his endeavours and adapted to a novel way of living, learning, evolving. We cannot help but beam with pride at the hard work and the fantastic learning we can see taking place every single day. Whilst all have scaled many mountains in this year, we are happy to share with you certain defining accomplishments of the third quarter. I hope you enjoy the Third Quarter Newsletter, which will give you a snapshot of the rich experiences teeming with joy, astute insights, and amazing talents.

*"Great things are done by a series of small things brought together."*

- Vincent Van Gogh

# Gandhi Jayanti

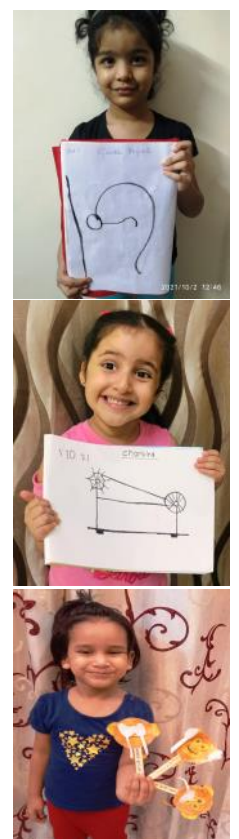

Mahatma Gandhi, or more lovingly known as 'Bapu' by all Indians, is internationally acknowledged for his doctrine of non-violence that led India to its glorious freedom. 2 October every year is celebrated as Gandhi Jayanti. The story of his life has impacted humanity to its core.

To revere this day, the Students and Teachers of Tagore International School, East of Kailash, held a number of activities to commemorate the Mahatma's life and teachings on 1st October 2021. The students of class V portrayed themselves as Gandhi and showcased part of Gandhiji's life and his principles through PPT, speech, poster, role play and sketch. Children participated with great enthusiasm. They enjoyed the activity a lot and shared their learning from the activity.

The Students of class IX were shown the film 'The making of the Mahatma' 1996. After the film, students discussed the relevance of Gandhiji's ideology in the modern times. Students also reviewed the film focusing on the enduring legacy of Mahatma Gandhi.

All our Students were imbued with Gandhian values and thoughts and vowed to become citizens of India and this World.

# Virtual Ramlila

The students celebrated Dussehra by organising a 'Virtual Ramleela', consisting of episodes from the Ramayana. Students from classes III-XI participated with full enthusiasm. The young students performed with perfection and confidence. Five episodes of Ramayana were presented wherein the students portrayed characters of Lord Rama, Sita, Hanuman, Jatayu, Ravana, and many more. The presentation was enjoyed by everyone and the efforts of the teachers, students and support of parents made the event a grand success.

## A day in school, amid the pandemic

### Parents and Children were happy to be back at school and did not wish to return to online learning

Past many months of online learning were challenging for parents, children and teachers. The excitement to return to school even for a single day was immeasurable. It was the first opportunity in many months to experience the joy of interacting with each other on the school campus.

On Tuesday, 12 October 2021, the students of Kindergarten were welcomed for the first time in school on the occasion of the Dussehra. The classes were decorated with balloons and the boards were vibrantly put up. The children were received by the teachers and were taken to their respective classrooms. Many exciting activities like sports, craft and dance were planned for them. Making the Ravana mask was one of the activity which the students enjoyed the most. Children participated with great zeal and enthusiasm by bursting the balloons on Ravana's effigy with pencils symbolizing the end of CoronaVirus.

It was a fun filled day for the children and was much appreciated by the parents. Everyone had one question in their mind – “When will the school re-open”?

# A day in school

I'm not going to school just for a day,  
This is a new beginning!  
Come on friends..... let's be positive,  
We know that this time will surely change"

On this positive note, the school welcomed the youngest member of the Tagore fraternity on Monday, 11 October 2021. After eight months of virtual interaction, the children finally met their teachers and peers full of excitement. The school premises echoed with the chirping of the tiny tots after so long!! Some children were confidently and eagerly walking past the corridors of the Nursery foyer while a few were crying and hesitant. Aerobics, taking a walk in the school premises, games etc were some of the child-friendly and fun-filled activities that were planned for the little ones. Everyone had so much fun that no one noticed how the time flew by.

Looking at the bright spark in their eyes and a wide smile on their faces while returning in the arms of their parents was surely a moment of pride and contentment for both the parents and the teachers.

We look forward to meeting the children offline soon !!

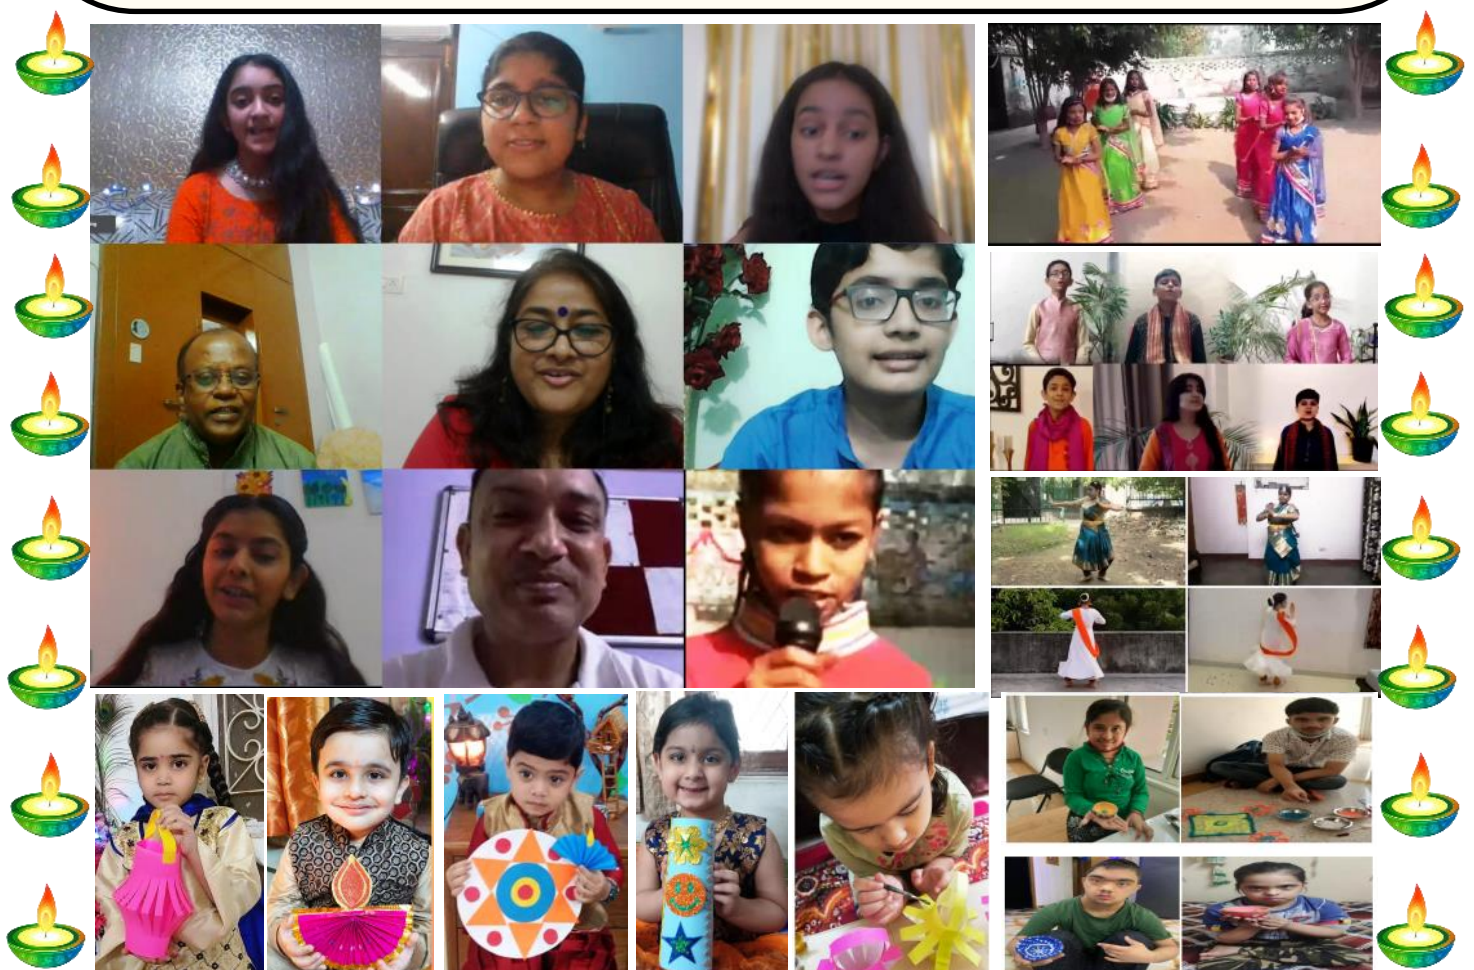

# Umangotsav

The celebration of the festival of lights, Diwali, was celebrated as Umangotsav on Tuesday, 2 November 2021. Our students were joined by special guests, the students of NIV, DESIRE, AND SPECTRA NGOs as well as students from ANANTH CENTRE. who participated enthusiastically in the event and mesmerized everyone. The event was initiated with the Ganesh Stuti which was followed by a video on Covid - 19 awareness. Diwali marks the return of Lord Rama after 14 years of exile, to add up to the zeal of the event our students presented a glimpse of the Ramayana showcasing the same. The creativity of the school's Emerald Art Society was shown through a video that taught the viewers the art of making easy wall hangings for Diwali. The students of DESIRE NGO, SPECTRA NGO, and NIV NGO performed mesmerizing dance pieces and melodious songs. Throughout the session, students from the ANANTH CENTRE were actively participating and interacting with keen interest. ANANTH CENTRE participated enthusiastically in the competitions organised and even won quite a lot of awards. The school's senior headmistress Mrs. Debjani Mitra, announced the winners of the Diya decoration: Nishant Tokas, Divi Maithani, and Kashish Goel FROM ANANTH CENTRE who secured the first, second and third position respectively. The winners of Poster making were Yesmin Nanda, Shourya Seth, THE ANANTH CENTRE and Sarita, NIV NGO, and Pooja, NIV NGO who secured the first, second, and third positions respectively .

# #TagGED

On Friday, 12 November 2021, school organised its first edition of the long term project #TagGED, joined by 13 schools keen to showcase their ideas for societal well-being , in a hybrid mode. The event was sponsored by organizations upGrad Abroad and Photonest Academy.

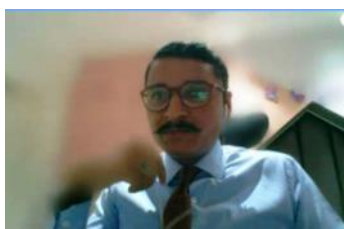

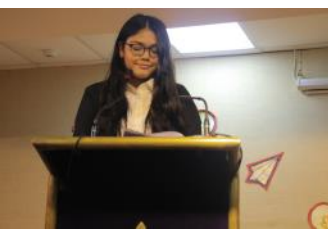

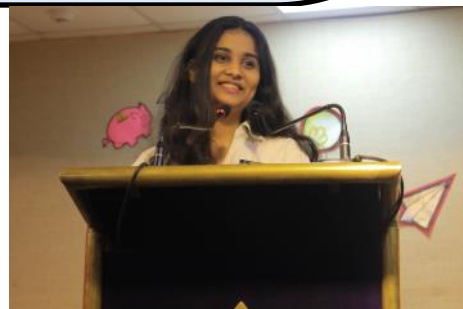

The inaugural ceremony started on an auspicious note with the lighting of the lamp, followed by the addresses of our principal, Ms Mallika Preman, and the Directors, Lakshika Khurana and Baneet Pukhrambam, who welcomed the participants.

We were also joined by several professionals working in STEM- Mr. Tarun Bansal and Mr. Shubham Gupta, Entrepreneurship- Mr. Kamal Pahuja and Mr. Piyush Khandelwal and Social Welfare- Dr. Livleen Kaur Kahlon and Mr. Sachal Aneja, who also assessed the projects.

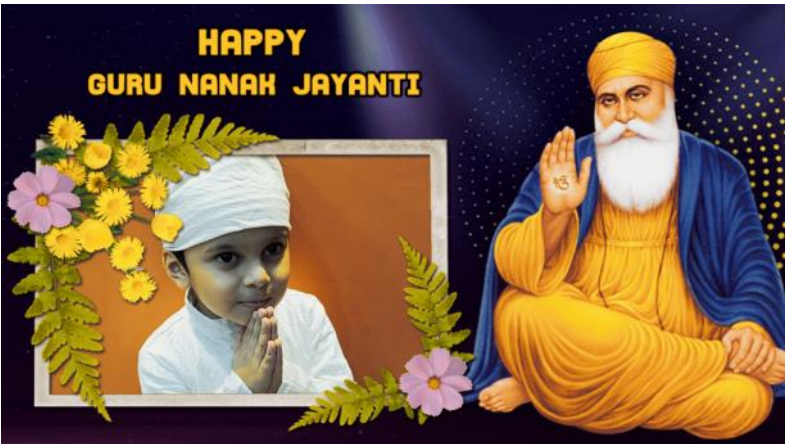

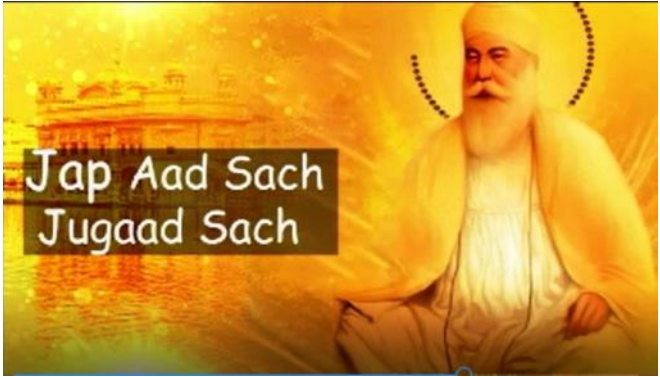

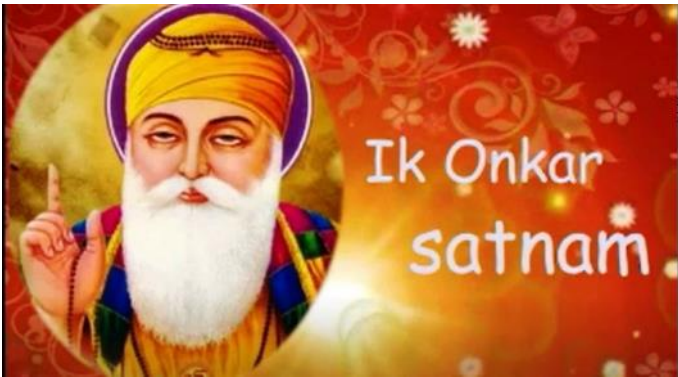

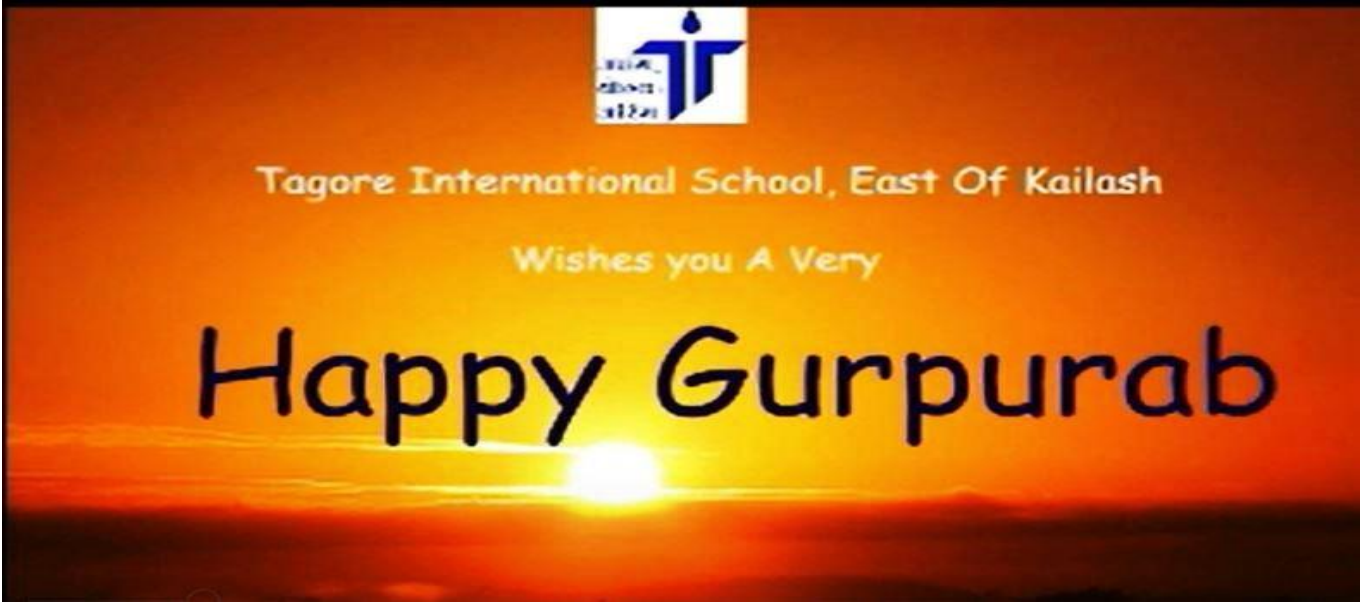

The participants were allocated their respective links, where they presented their ideas in front of the judges, who inquired further into their research. The judges also narrated anecdotes about their journey of working in their respective fields. The aim was to create an impact while the participants learnt from one another.

After the sessions ended, the participants were welcomed into the closing ceremony, where glimpses of the #TagGED newsletter were teased, along with an address by Senior School Headmistress, Ms. Debjani Mitra. Our respected judges Mr Tarun Bansal and Mr Shubham Gupta shared their experiences about the novel solutions being discussed in their sessions. As a vote of thanks, the efforts of entire team of #TagGED were acknowledged.

#TagGED was an extremely successful event, and not only did it help in creating awareness about problems faced by people in their day to day lives, it also left a mark on participants and the organizers, to keep learning and innovating.

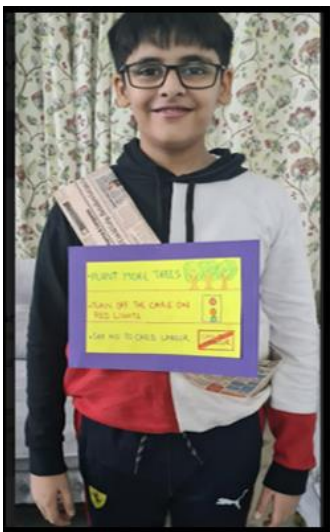

# Constitution Day Celebrations

November 26 is observed as Constitution Day or ‘Samvidhan Diwas’ every year, which commemorates the adoption of the Constitution of India. On November 26, 1949, the Constitution was adopted and it came into effect on January 26, 1950. The purpose behind celebrating Constitution Day is to promote the values of the Constitution among the youth of the country. As Dr. Bhimrao Ambedkar, the first law minister of India, had the most prominent role in the making of the legal document outlining rights and laws concerning Indian citizens, the celebration can also be seen as paying tribute to his legacy. A plethora of activities were conducted by all classes to commemorate the day.

TAGFEST

2021

The Annual Inter-School Literary, Art,  
Drama & Technology Festival

The online edition of TAGFEST-2021, the Annual Inter-School Art, Literary and Technology Festival for primary classes was hosted by the school on Saturday 30 November 2021.

It was an unusual festival designed for the students of the primary wing, wherein students from 17 eminent schools participated in different events that helped in bringing forth their creativity and talent.

The festival featured myriad events witnessing a flare of talent and innovation in each one. It was a unique platform for the students to interact with each other and display their vivid ideas and out of the box thinking. Tagoreans are celebrating the 160th birth anniversary of Tagore, hence the theme this year was Tagore-the great bard of Bengal. Tagore is a prominent name in the field of Art, Literature and Drama and as the event revolves around the same dimensions, all the fields were included in different sub events with immense artistry and novelty.

A distinguished panel of judges that included luminaries from the fields of art, technology and literature were invited to judge the various events. The esteemed guests had a rich experience in their respective genres and were a great source of motivation for the participants.

# National Pollution Control Day

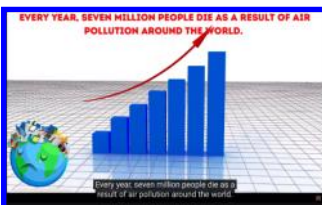

Every year, 2 December is observed as National Pollution Prevention Day in order to commemorate those who lost their lives in the Bhopal Gas Tragedy in 1984. The members of the Society for Global Sustainability joined hands with the Emerald Art Society members, along with some enthusiastic volunteers from grades IX and XI to observe a virtual National Pollution Control Day on Thursday, 2 December 2021. This program was aimed to make the Tagoreans understand the need for preserving our natural resources and to raise awareness about how to prevent pollution caused due to industrial waste and human negligence. Students from classes III - XI participated in this program. The program began with a short-film presentation, followed by an interactive session that concluded with a poster making activity.

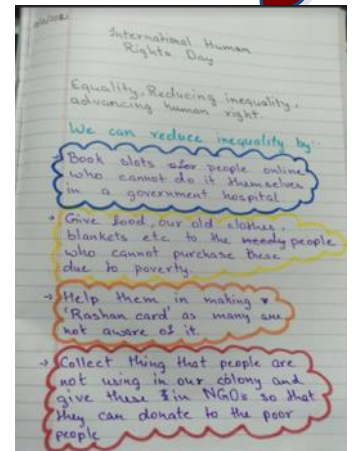

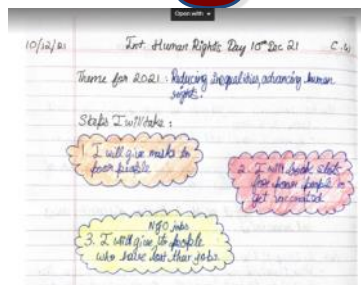

## Thinking Time

- What measures according to you can be taken to tackle the problems?
- How often do you use a plastic straw?
- How often do you take a plastic bag from a shopkeeper/ vendor everytime you go for shopping?

# Human Rights Day

Human Rights Day is observed every year on 10 December — the day the United Nations General Assembly adopted, in 1948, the Universal Declaration of Human Rights. The theme adopted this year: **EQUALITY - Reducing inequalities, advancing human rights.**

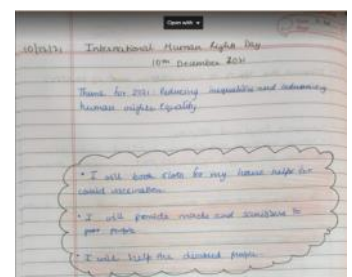

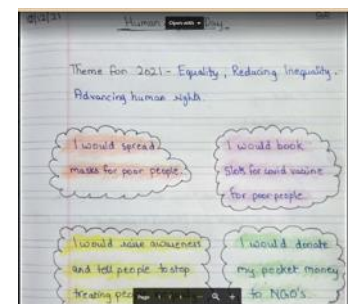

As part of the celebrations of the International Human Rights Day, Tagore International School, East of Kailash conducted various activities for the students from different grades.

Students of class VI to VIII were shown a video regarding Human Rights and importance of coming together and working towards achieving the common goal of reducing inequality. Students participated in discussion about their understanding of Human rights and why they felt it is important that every human has basic rights. They also discussed about the issue of lack of awareness among the illiterate and poor about their basic rights and how they are repressed by the powerful people. They were asked to share steps they can take to reduce the inequalities that have increased due to Covid-19.

Class IX discussed the differences between human rights and fundamental rights after watching the video of UNHCR Commissioner. Rights proclaimed in the Universal Declaration of Human Rights were read by students in the session followed by a brainstorming session where students were encouraged to ponder and share their views/ opinion on the following:

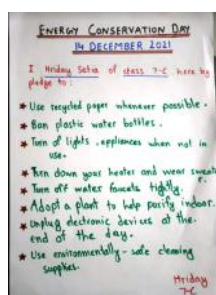

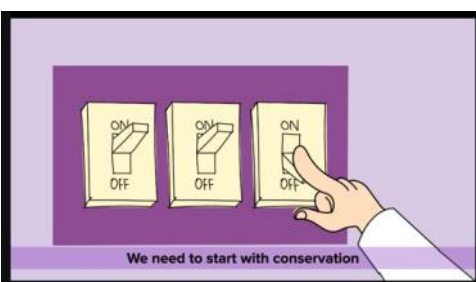

- What are human rights? Why should anyone respect them?
- Why do some groups require special human rights? Does this mean that they have more rights than others?
- Why do we talk about human rights and not human responsibilities?
- Is violation of human rights only a problem in non-democratic countries?

Students of class XI participated in the activity with enthusiasm. The students were shown a film on the address of Michelle Bachelet, the High Commissioner of Human Rights, United Nations. The students had also prepared themselves for a discussion on Human Rights violations. A vibrant debate ensued in the class on the importance of Human Rights. The UN Charter on the Universal Declaration of Human rights was also read out.

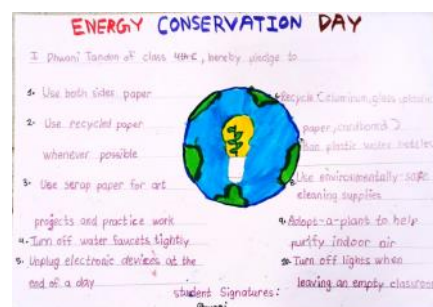

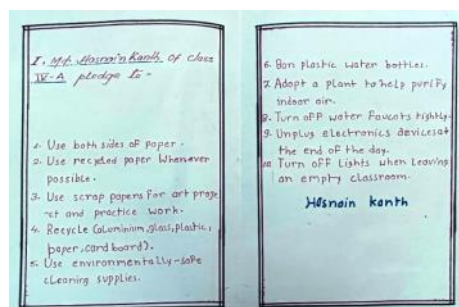

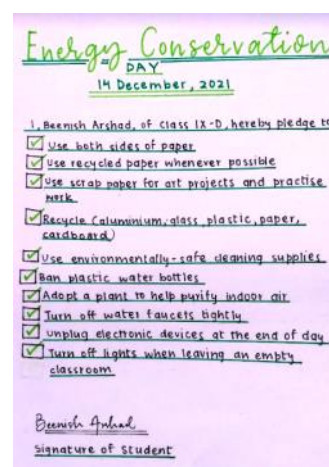

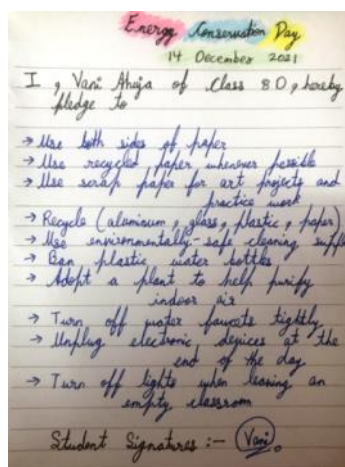

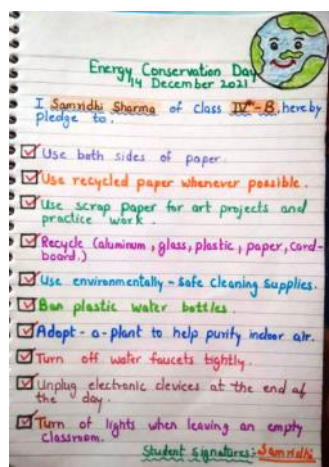

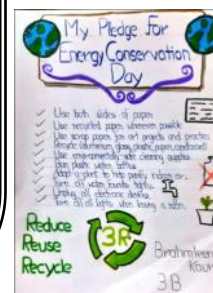

# Energy Conservation Day

Students and staff of Tagore International school observed National Energy Conservation Day on Tuesday, 14 December 2021. The Virtual Program was focused on making everyone aware of energy crisis and climate change and to promote efforts towards saving energy resources. Students from classes III -XI participated in this program. The program began with a short-film presentation, followed by an interactive session on various ways to conserve different forms of energy and finally taking a pledge to conserve energy.

# National Mathematics Day

National Mathematics Day is celebrated every year on December 22, honouring the birth anniversary of mathematical genius Srinivas Ramanujan- The man who knew infinity. The main objective behind celebrating the day is to raise awareness among the students about the importance of mathematics for the development of humanity.

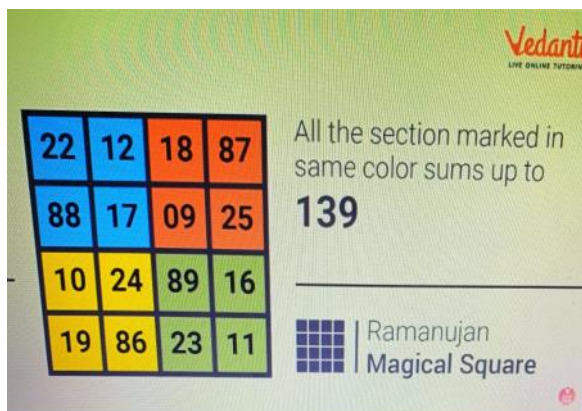

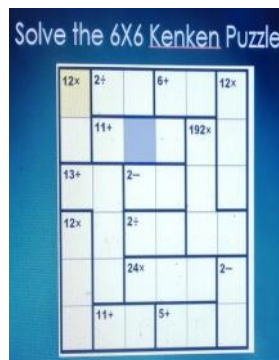

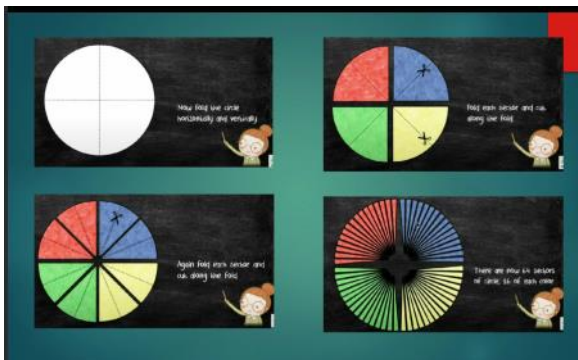

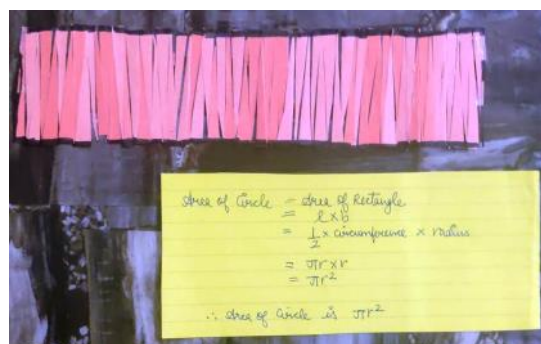

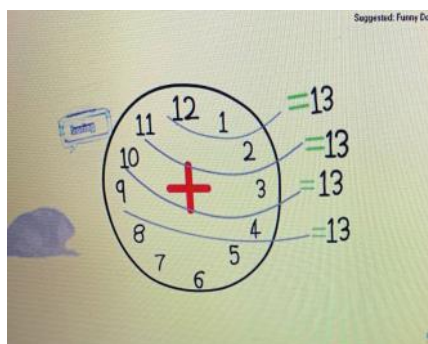

In our school, the students from class I to XII actively participated to celebrate the event. Various fun-filled activities based on Critical thinking, logical reasoning and visual thinking were organized to honour the subject of Mathematics and the life of this Math genius.

You tube videos, depicting the landmark achievements, struggles and contributions of the great mathematician were shown and were followed by a brief discussion.

Students of class I and II used artificial intelligence to perceive the shapes whereas Class III students were asked to draw a Fractional Christmas Tree using autodraw and decorate it with total 20 items ( $\frac{1}{4}$  of stars,  $\frac{1}{4}$  of snowflakes,  $\frac{1}{4}$  of bells and  $\frac{1}{4}$  of stockings). They continued to write a message on the card wishing merry Christmas and sent them to friends and relatives. Students were shown Sir Ramanujan's magic square of number 139. Students were introduced to new games like 2048 in class VIII and Str8ts in class VII while class VI learnt the tricks for Mobius Strip.

Students of class X were challenged to solve "KENKEN", a grid-based numerical puzzle that looks like a combined number cross and sudoku grid, class XI was amused by the "KAKURO" puzzle, whilst class XII learnt about cryptography using inverse of a matrix.

The students showed great eagerness and enthusiasm in Quizziz, Kahoot and, online Tambola links based on mathematical concepts which were thoroughly enjoyed by the students.

# SPECIAL OLYMPICS BHARAT

The former American football player Lou Holtz veraciously said, *“Ability is what you are capable of doing. Motivation determines what you do. Attitude determines how well you do it.”*

School organised a Special Olympic Bharat sports event on Thursday, 23 December, 2021. This Sports event was held for the first time in Delhi by the students of Roshini and Aaina Society of the school. Specially abled students from various schools were invited to learn and participate in the tennis tournament amongst the students.

The school celebrated this auspicious day by having the principal of TISEOK Ms. Mallika Preman as the honorable chief guest.

Commencement of the event was done by a march past followed by the torch lighting ceremony. The event was carried further by an Oath taking ceremony and the chief guests' address to the gathering. Participant selection was done via trials taken by the sports teachers of Special Olympic Bharat. Once the selection process was over, the selected candidates participated in a tennis tournament to compete with one another. The event was finally concluded with the awards and medal distribution ceremony where all the winners and participants were awarded.

# Christmas Celebration at Ananth Center

Students of the Roshni Society visited the Ananth center to celebrate Christmas on Wednesday, 22 December 2021. After a year of organizing and interacting virtually, the students of Ananth center and Tagore international school met physically for the very first time. It was a great experience. Students sang Christmas carols, danced together, and played antakshari. On the festive occasion of Christmas, students of the Roshni Society gifted presents to the students of Ananth center. It was a fun day and everyone had a great time interacting and celebrating Christmas together

# Christmas Celebration

Christmas is a festival that celebrates the birth of Jesus Christ, and around this basic plot, the world has woven many different origin stories. This year too the students of Tagore International school, East of Kailash and Vasant Vihar celebrated Christmas in a synergetic cooperation, on Friday 24 December 2021, with much finesse.

The entire program was tied together with the students' interpretation of what might have been in store for Ebenezer Scrooge from the story, 'A Christmas Carol' by Charles Dickens, after he was visited by the 3 ghosts. The event depicted a wide range of performances—drama, singing and dancing—showcasing the students' talent.

The event consisted of a play showcasing the true spirit of Christmas, which is to spend time with our loved ones and another play which put an emotional twist on the origins of the Santa-Banta jokes we laugh at and forward on our whatsapp groups. Dances are an integral part of any celebration and this celebration too was taken to the next level by a solo dance performance by Jini Pukhrambam which left everyone swooning.

The audience got a glimpse of what the students of junior school would do if they were Santa. An integrated video of the TIS teachers' wishes if Madhulika ma'am was Santa and a creative mashup rap "Ma 'Jingle' Bell" by Sabhya Arora which amused everyone.

Every Christmas celebration is incomplete without carols and more the merrier! The silver - lining of the event were two beautiful carol pieces which made everyone's Christmas spirits rise through the roof. The celebration was brought to an end with a video showcasing the amount of hard work that went into the event and how the students had to rise to the occasion and overcome all the difficulties that came with shooting for the event at school.

## tGELF Harmony Competition

The first stage regional selection round of tGELF/JA India LEAD Company of the Year Competition 2021 was held in October, For the competition, two teams had registered from our school. Two workshops for the same, one on Cost Management, Fundraising and Cash Flow and the other on Product Ideation and Design were held. These were organised to enhance the knowledge of students in these areas under the guidance of mentors from different backgrounds. After these workshops the students were required to work on their respective business plans and write a Company Program Report and a Presentation. The participating teams worked in groups along with their company members on their products checking its sustainability, feasibility and scalability to form a detailed plan. Then the templates for report and presentation were successfully completed and submitted. Results were announced in November in which one of the student companies of our school with the name ‘Pinor- Crafted by you style’ was qualified for the Harmony National Finals 2021

The student company ‘Pinor - Crafted by your style’ qualified for the National Finals 2021 for the tGELF/JA India LEAD Company of the Year Competition 2021 which was held on Wednesday, 12 January, 2022 on Zoom platform. For the finals, they prepared a Business Video and a Final Business presentation with the updated financials and growth in the company to be presented on the day of the competition. The four board members of the company Ishita Verma, Sejal Jain, Shradha Sabharwal and Vidhi Chaudhary, all from class XII-B, presented their idea in front of the panel of judges. The event started by address by the Vice President of tGELF, Ms. Gowri Ishwaran, followed by introduction to the respectable panel of the judges. All 12 finalist teams gave a 4 minute pitch of their business ideas and it was followed by a 10 minutes question answer round of each team individually in breakout rooms with two judges each. After this a judges’ deliberation round followed and results were declared. Our team could not win any of the prizes, but the participants took away a lot of knowledge, insight and exposure with them.

## Session on Maintaining Discipline during online class

“Discipline is the bridge between goals and accomplishment”

A session was organised for the students of classes VI-VIII on Friday, 12 November 2021 and for students of classes III-V on Wednesday, 17 November 2021 by the Assistant cabinet members wherein they went to each class and discussed the role of discipline in a student’s life and how one should maintain proper discipline in school. The key points of the presentation included: the importance of class participation, awareness about cyberbullying, the role of the class representatives, actions prohibited in school and the consequences of disobeying them. The session was very interactive, the students participated enthusiastically and asked questions which were answered patiently by the cabinet members.
