**VASANT VIHAR, NEW DELHI-57**  
**CIRCULAR FOR CLASSES XI AND XII**

TIS/ VV/ 2020-21/013

June 2020

Dear Parents,

As members of the Tagore family, it is re-assuring to see that unfazed by the circumstances, we all stand united in endeavoring to identify and maximize learning opportunities for our students.

On successfully adapting to digital learning at the beginning of the new academic session, we hope that your ward is now enjoying her/his well-deserved summer break.

At present, there is justifiable uncertainty about the physical re-opening of schools. Therefore, post culmination of the summer break, we will continue with online classes for students. In this challenging period of virtual schooling, we deeply value and acknowledge your feedback and suggestions.

We would like to share with you that with regard to online lessons, the school has always exercised due diligence to the age group, suitable screen time and age appropriate academic rigor. Kindly note the few pertinent changes incorporated in the schedule for classes 11 and 12:

- **Inclusion of 10 minutes break between each class**

We are sensitive to the detrimental effects of continuous exposure of students to screen time. Therefore, between each class, we have factored in a 10 minute break for students to move away from the screen, stretch a little, drink water and eat fruits.

- **Attendance**

We would appreciate regularity in attending the online classes. However, once in a while, if a student has a valid reason for absence from a class, the recording of the lesson will be shared on request.

- **Punctuality**

The students are requested to log in, well before the class to avoid missing it for the day.

- **Availability of school counsellors**

In case you have any concerns with respect to your ward, please feel free to get in touch with our school counsellors, Ms Pooja Bakshi and Ms Komal Pandey. They will be available Monday to Friday and their contact details cum availability are as follows:
