CIRCULAR FOR CLASS IX

TIS/ VV/ 2020-21/026

September 2020

Dear Parents,

A comprehensive and effective evaluation is a combination of Formative and Summative assessments. Formative assessments have already been conducted through MCQs, group discussions, projects etc to assess a student's progression towards the learning outcomes. On the other hand, Summative assessment measures whether the learning outcomes for the specified period have been achieved. As a step towards physically and mentally preparing students of class IX for their CBSE Board examination, it is imperative that we schedule a Mid Term examination to assess their preparedness for the syllabus covered so far.

Keeping this in mind, an **online Mid Term Examination** is being scheduled for classes IX from **Monday, 05 October to Wednesday, 14 October 2020**.

Kindly note the following:

1. Examination will be conducted online on **Assess Prep Portal**.
2. Examination for each subject will be based on the **CBSE pattern** and will be of half the weightage of marks assigned by the CBSE Board.

Subject	Marks	Duration

Home Science	35	1 ½ hours
Computer Application	25	1 hour

3. **Duration** of the examination will be **two hours i.e. from 8.00 am to 10:00 am**, inclusive of the time for reading and uploading the paper. Although every examination will commence at 8:00 am but the log in time will be 7:50am.
4. **Preparatory leave** will be from Monday, 28 September to Sunday, 04 October 2020.
