

Tagore International School

Vasant Vihar, New Delhi

JULY-SEPTEMBER 2014

Message

By Ms. Swarnamayee Mahapatra
(HoD Science Dept.)

Dear students,

As we step into the second half of the academic year, it is time to celebrate the success of your hard work in the first term,

and also focus on the dedication that will be required this coming term. Take decisions judiciously so that you make your mark and are applauded for your contributions. No one but you alone can take responsibility for your actions, so learn to think on your feet and deliberate before you speak or act.

Infrastructure Updates:

- ♦ Solar Panel has been installed in the school and was inaugurated on 21 July 2014
- ♦ Junior School Computer Lab has been renovated. Now each student has an individual computer to work on.
- ♦ Biology Lab and Chemistry Lab have been renovated with all updated facilities.

From the Editorial board.....

Greetings to students, teachers and parents!

With a great success of our previous E-newsletters we are back again with the new newsletter of this quarter. This newsletter will excite you even more as we have a whole lot of achievements, events and celebrations.

Aditi VIII and Meghna VII
