1. The test will be conducted in an offline or online mode as per the guidelines issued by the Government. If it is conducted through online mode, it will be through AssessPrep. The test will be of 3 hours duration with additional 15 minutes for reading and 15 minutes for uploading (we request your ward to go through the detailed instructions that was sent on Wednesday, 30 December)
2. The timings for the test will be from 9 am to 12:30 pm. Students have to login by 8:45 am on [app.assessprep.com](http://app.assessprep.com).
3. Since it is mandatory for them to complete their files physically, please ensure that your ward has completed her / his files in all respect and submitted them in the school for the teachers to go through. The students are requested to take detailed feedback from the teachers and incorporate the changes that they suggest.

4. Entire syllabus will be tested in the Pre-Board examination.
5. Revision is being taken up from Monday,07 December 2020. The Class teachers/subject teachers have shared the schedule for the same on Sunday, 06 December 2020.
6. All these examinations are an indication of your ward's preparation for the Board exams as they are a tool for self-evaluation and for them to take corrective measures. Complete honesty while taking the tests will be in your ward's best interest.
