

The school is proud to share that the digital novels made by our teachers have made it to the Diksha portal. The teachers have been working for quite some time on these 'Graphic Novels' - a project run by CBSE, which gives an interesting twist to learning topics through comics. The topics are taken from the curriculum of English, Science, Social Science, French etc.

The teachers involved are :

Ms. Niela Hariharan (TGT French)      Ms. Sudakshina Mukherjee (PGT English)  
Ms. Geeta Gosain (TGT Science)      Ms. Navita Singh Golaya (TGT Social Science)  
Ms. Radhika Sharma (TGT Social Science)
