

TAGORE INTERNATIONAL SCHOOL
VASANT VIHAR, NEW DELHI
PARENTS SYLLABUS (2020-21)
CLASS XII A
OCTOBER- MARCH

Subject	Topics Covered / No. of Periods	Learning Outcomes	Activities	Assessments
OCTOBER				
Math	Three Dimensional geometry / 7 periods	Each child will be able to -define direction ratios, direction cosines of a line - state the relation between the direction cosines of a line -find the direction cosines of a line passing through two points -list the various forms of line - apply the various equations of line in solving problems - define skew lines - calculate the distance btw two lines-skew and parallel lines - list various equations of a plane - state the condition for coplanarity of two lines	Quiz https://in.ixl.com/math/class-xii/find-the-component-form-of-a-three-dimensional-vector	Class Work Home Work Google Form
Economics	Sustainable development Balance of Payments/Foreign	<ul style="list-style-type: none"> ● Discuss Current Scenario of pollution and its effect on Indian farmers. ● Discuss Pollution in India 	Song or Lyrics allow students to showcase talent and simultaneously learn content	Worksheet Assignment Sheet(A) Reasoning Questions Class Test using Google

	Exchange/	<ul style="list-style-type: none"> ● Define foreign exchange ● Determine the rate of exchange 	<p>through preparing songs and lyrics.</p> <p><u>Application activities:</u></p> <p>Discussion on the Earth Summit in Rio de Janeiro, Brazil</p> <p>PLACARDS made by students</p> 	Forms
B. Studies	Marketing Management(contd.) Consumer Protection	<ul style="list-style-type: none"> ● State the role of personal selling ● State the various public relations tools ● Differentiate between advertisement and publicity ● Explain the importance of consumer protection ● Discuss the rights and responsibilities of consumers ● Examine the means of consumer protection ● Explain the role of consumer organizations and NGOs 	<p>Students will be asked to exemplify various modes of promotion and evaluate them.</p> <p>Designing an advt for the given product(EL).</p> <p>Design a label of a product by using hand/vegetable painting.</p>	Assignment Worksheet NCERT questions Class test

				
Accounts	Cash Flow Statement Comparative Statements	<ul style="list-style-type: none"> ● Explain the meaning of Cash flow Statement. ● Exemplify cash, funds and cash equivalents. ● Calculate operating profit and cash from operating activities through direct and indirect methods. ● Calculate cash from operating, investing and financing activities. ● Draw comparative statement of profit or loss and comparative Balance Sheets. 	 <p>Prepare CFS of your household expenses and incomes using art as background. Ask the hometown of your parents and incorporate art of that state.</p>	Worksheet Google form Assignment Class test
English	Revision	Each student will be able to attempt CBSE previous years' question papers. Each student will be able to answer all the questions posed to them in class.	Quiz Peer Teaching Flipped Class	Class Work Home Work Worksheets
NOVEMBER				
Math	Three Dimensional geometry / 2 periods(continued) Relations and Functions(6 periods)	Each child will be able to - state the types of relations ie , reflexive , symmetric and transitive - prove whether a given relation is an equivalence relation (one which satisfies all	Lab Activity: To verify that the relation R in the set L of all lines in a plane , defined by $R = \{ (l,m) : l \parallel m \}$ is an equivalence relation.	Class Work Home Work Google Form

		<p>three above)</p> <ul style="list-style-type: none"> - write the equivalence classes - state the types of functions, one -one and onto - prove whether a given function is one one onto or not - prove whether a given function is bijective (one-one and onto) 	<p>Lab Activity: To demonstrate a function which is not one-one but is onto</p>	
Economics	India's relation with China and Pakistan	<ul style="list-style-type: none"> ● Analyze India's relation with neighboring countries, its development vis a vis development experience of neighbors. 	<p>Draw pictures to show the different currencies and also the products that are exchanged</p>	<ul style="list-style-type: none"> ● Assignments on Google ● Classroom ● Oral questioning ● collectively summarizing ● •Google Forms - Assessment
B. Studies	Revision			Sample Papers
Accounts	Revision			Sample Papers
English	Revision	<p>Each student will be able to attempt CBSE previous years' question papers. Each student will be able to answer all the questions posed to them in class.</p>	<p>Quiz Peer Teaching Flipped Class</p>	Sample Papers
DECEMBER				
Math	Revision	<p>Revision of all the topics by doing practice assignments</p>	Pre board Examination	Sample Paper and previous years papers

Economics	Revision	Unit wise Apply & analyze each concept by doing Hots.& comprehension based questions.	Pre board examination	Previous year papers
B. Studies	Revision	Revision of all the topics by doing practice assignments	Pre Board Examination	Sample Papers
Accounts	Revision	Revision of all the topics by doing practice assignments	Pre Board Examination	Sample Papers
English	Revision	Each student will be able to attempt CBSE previous years' question papers. Each student will be able to answer all the questions posed to them in class.	Pre Board Examination	Sample Papers
